| **Module:** *Health and Safety Legislation* | **Tuition Centre:** 21 Academy<br>**License Number:** 2018-017 |
| **Level:** Award MQF Level 5 | **Date:** |
| **Student Names:** | **Student Numbers: (same line)** |
| **Presentation Date:** 19 February 2026 | |

**Task**
The purpose of this assessment is to develop an understanding of what was learnt during the module in particular with respect to Health and Safety Legislation.

**Note**
This assessment provides students with an opportunity to explain the different aspects of Health and Safety Legislation.

**Note**
*You should plan to spend approximately 20 hours researching, reviewing the course slides, planning and designing the presentation. You are expected to select the Harvard Referencing Style if you are using any sources for the information being given in the presentation.*

*Each individual student should also present a Reflective Notes template in Word Format or pdf format about this presentation.*

*The presentation should be 20 minutes long and students will be expected to answer questions made by the students in class as well as the tutor.*

☐ **Question 1**
What are the legal repercussions for breach of occupational health and safety as per Maltese Legislation. Please explain by referring to the Maltese law and case studies

☐ **Question 2**
You have been appointed to act as a project supervisor on a construction site. Provide a detailed analysis of the duties and obligations of your role in line with the applicable laws and develop a plan on how you intend to implement such duties and obligations. In your reply, please make reference to Maltese legislations and case law

☐ **Question 3**
ABC Company Limited is a company that manufactures cement bricks. You have been appointed to develop a risk assessment for their full operation from ordering stage at the offices, manufacturing, storage and delivery on site. Carry out an analysis of the Maltese Legislation and determine which legislations are applicable to enable you to compile the risk assessment and in which way will that legislation be applied to your risk assessment?
